

LED Baton GS-2088R2

Golden Season Police Baton are suitable for all emergency situations. It can be used as warning lights, call for S.O.S. Help, can be used to control traffic in the street by turning on the lights into a rotate mode and use as an ordinary baton to protect yourself. Its light features differentiate Golden Season Baton from other batons available on the market. The Golden Season Baton has 5 different light modes: rotate, quad flash, Alternating blinks, S.O.S Rescue (Morse Code) and Steady on- High. You can choose the right mode of light operation in a different emergency situation.

How to operate:

To turn off the flare without cycling through the 5 light patterns, press and hold the ON/OFF BUTTON for 2 seconds. One LED will flash five times and then turn off. When ready to operate again, press the ON/OFF BUTTON and it will return to the last flash pattern that was selected before turning off.
